

## RAZOR REEL FANTASTIC FILM FESTIVAL 2010

### ENTRY FORM

**PLEASE COMPLETE & RETURN BEFORE AUGUST THE FIRST!**

- **The complete Contact Form**
- **Film form with as much info as possible**

Dear Filmmaker, Distributor, Movie Enthusiast!

Through this way we kindly ask you to inform us on any new submissions you might have on fantastic movies. As always we are looking for **full features, animations and short subjects as long as they are somehow related to the fantastic genre!** Except for the fact that we are looking for genre films, the other limitation we have is that we are looking for movies that are not yet released (theatrical or sell thru) in Belgium.

Please complete all applicable fields and sign the document to confirm that you are the sole owner(s) and originator(s) of the work. Place the completed forms and your screener + additional information or documents in a single package for submission **before the 1<sup>st</sup> of August 2010**

**Per film you send us we'll need one completed Film Data form. One completed contact form will do if you should send more then one screener.**

Send the package to:  
**RAZOR REEL**  
**Fantastic Film Festival**  
**ST-ARNOLDUSLAAN 47**  
**B8200 Brugge**  
**BELGIUM**

We are not responsible for lost, stolen, or missing entries. We would like to remind you to **send a COPY of your original work, not the original work itself.** Tapes, DVD's, Digital media, USB sticks or Press kits will not be returned unless a SASE is provided.

**Although not necessary we strongly suggest to...**

- Except for short movies we'll kindly ask to send at least two copies of your screener, this to make it easier to for each member on the selection committee to have access to your film.
- Please mention director and actor info or url where to find that info.
- Make sure that all contact info is correct and clearly written (we suggest printed) on the contact sheet.
- Use the contact form if possible, it's no necessary but please make sure that we have all info requested on our the form in one or another way.
